There are over 900 different insurance plans in our Metropolitan area. There are deductibles, co-payments, yearly maximums and other restrictions of which you must be aware. Your employer's benefit representative should be able to provide you with the details of your specific dental coverage. You are entitled to the maximum benefits under your insurance contract, however, you are ultimately responsible for all expenses incurred in the office. Treatment is determined by your needs not insurance parameters. Options will be discussed with you. We do not guarantee any estimate and should your dental plan pay less than expected, you are fully responsible for the balance. We take no responsibility for any denials by your dental plan.
